

## **EDUCATE YOURSELF ON THE RACIAL AND CULTURAL DYNAMICS STUDENTS FACE ABROAD.**

The fear of racism and treatment abroad is a significant concern for many diverse travelers. As an educator, being aware of the racial and cultural dynamics students face abroad is one step toward becoming a stronger and more informed support system.

# QUESTION #1

**Are you aware of the cultural experiences (positive and negative) underrepresented students face when traveling abroad?**

# QUESTION #2

**What resources do you have to introduce a host country's social and cultural attitudes towards diverse communities?**

# QUESTION #3

What steps can you take to prepare travel groups to understand, recognize, and support each other through culturally different experiences abroad?
